your ideas.**

YIP **Young Insurance Professionals is your organization.**

Leadership is not something that can be taught; it must be experienced first-hand. In fact, perhaps the greatest benefit of Young Insurance Professionals membership is the opportunity to gain such experience. YIP is looking for volunteers and visionaries for our boards of directors and committees. We want you to join us! From networking and special events to education, conferences and legislative involvement, YIP has something to offer every young professional. Don't limit yourself—keep your career moving forward! Share your ideas, talent and time, and participate in YIP committees and events. The contacts, skills and experience you'll gain will last a lifetime. Return the reply card, give us a call or send an e-mail.
